<http://greenzglobal.tumblr.com>

Greenz is an online publication introducing handpicked "good ideas" which enhance your life and change the world.

Ultimately, our mission is to create a movement from a sustainable, creative, and thriving society.

We believe that with every "Good Idea", there is strength to positively motivate people and in turn create strength to move society into a positive direction.

**DO YOU HAVE ANY PASSIONS FOR CHANGE?
GREENZ SUPPORTS YOUR IDEAS.**

Greenz Global is presented by
